When you participate in the Sacrament of the Holy Eucharist you pay attention to the homily:
 True False

The homily should help me to:

(1: Most important; 2: Very important; 3: Important; 4: Less important; 5: Not important)

- Understand the Word of God that has been proclaimed (readings of the day)
- Enter into a personal relationship with the Lord
- Feel good and entertain
- Feed and increase my faith
- Be a better person (practicing Catholic)
