**Many times
our pressing needs
disclose
our weaknesses.
Then, as much
important as to
receive help to solve
our needs,
is to understand
and tackle the cause
of our problems.**

**We aim to empower
you not only to survive
another week or month
but to live being part
of a community which
also needs your presence,
gifts and talents.**

**Help us to help you
not only to survive
in our neighborhood
but to live being part
of a better Chimayo.**
